TENDER NOTICE
(Tender Ref. No.: DRENPNG14-004)

PROCUREMENT OF THE PRODUCTS AND SERVICES
UNDER JAPAN'S NON-PROJECT GRANT AID
FOR PROVISION OF JAPANESE DISASTER REDUCTION EQUIPMENT
FOR THE FEDERAL REPUBLIC OF NIGERIA
FY 2014

1. Introduction

The Government of the Federal Republic of Nigeria (hereinafter referred to as "the Recipient") has received a grant of Five hundred million Japanese Yen (JPY500,000,000) from the Government of Japan according to the Exchange of Notes between the Governments on April 24, 2015, concerning Japan's Non-Project Grant Aid for Provision of Japanese Disaster Reduction Equipment, aiming contributing to promotion of the economic and social development of the Recipient.
Japan International Cooperation System (hereinafter referred to as "JICS") acts as a procurement agent for and on behalf of the Recipient for the purchase of the products (hereinafter referred to as "the Products") and services under this grant.

2. Scope of Supply

The scope of supply covered by this tender (hereinafter referred to as "the Supply") consists of the following:
(1) Procurement of the Products;
(2) Installation and Set-up Service; and
(3) Operation and Maintenance Training Services.

3. Products to be procured

The products to be procured are Japanese disaster reduction equipment.
The products to be procured are specified in TABLE-1 "LIST OF THE PRODUCTS" attached hereto.

(1) The eligible source country of the Products shall be Japan unless otherwise specified in the Tender Documents.
(2) It is the tenderer who has the burden to establish that the Products fulfil all the requirements. If, for whatever reason, JICS is not satisfied with the proof submitted by the tenderer, JICS may, at its sole discretion, request additional proof to its satisfaction, or disqualify the tender submitted by the tenderer. JICS has the sole and ultimate authority to decide whether these conditions are fulfilled.

Details of the Supply shall be stipulated in due conformity with the specifications of the Tender Documents.

4. Eligible Tenderer

(1) Eligible tenderers are those who meet all of the following qualifications:

1) to be Japanese nationals, which means Japanese physical persons or Japanese juridical persons controlled by Japanese physical persons;
2) to be incorporated and registered under the laws of Japan;
3) more than fifty percent (50%) of the total number of the voting rights are held by Japanese physical persons or Japanese juridical persons;
4) fifty percent (50%) and higher of the officers, meaning directors or other persons equivalent thereto, and the officers having power of representation are Japanese physical persons;
5) not to fall under any of the items of Articles 26, paragraph 1 of the Foreign Exchange and Foreign Trade Act (Gaikokukawase-oyobi-Gaikokuboeki-Ho, Law No.228 of 1949, Japan);
6) to have 55 points or more in TABLE-2 "QUALIFICATION TO PARTICIPATE IN TENDERING PROCEDURES" of this tender notice;
7) to have received the Tender Documents directly from JICS;
8) to have experiences in overseas trading;
9) to have a head office in Japan and be capable of making close communication with the manufacturer(s), JICS and the Recipient;
10) to have a branch office, a liaison office or an agent in the recipient country, which is capable of assisting the manufacturer(s) for their work in the recipient country and communicating with the Consignees and/or the End-users;
11) to have at least three (3) fiscal years' business and to be able to submit Financial Statements (Balance Sheets and Income Statements) of the tenderer's head office for the latest three (3) fiscal years;
12) not to be suspended from participating in tenders by the Government of Japan, the Japan International Cooperation Agency, or the Recipient; and
13) not to be suspended from participating in tenders in accordance with "DEBARMENT GUIDELINES" set forth by JICS on October 1st, 2019.
Please refer to JICS's website for information about these guidelines.
http://www.jics.or.jp/jics_html-e/tender/debarment.html

(2) Neither joint venture nor consortium is allowed.

(3) Tenderers who have repeatedly breached the contract in the past projects under Japan's Grant Aid for the Economic and Social Development Programme shall be regarded as lacking the ability to perform the contract properly and faithfully, and consequently deemed ineligible for this tender.

5. How to obtain Tender Documents

Firms or companies who are interested in supplying the Products and/or the Services should download the Form of Expression of Interest (hereinafter referred to as "EOI") from JICS's website and provide it to JICS by e-mail at drenp_gpn@jics.or.jp. The deadline is on or before 17:00 Japan Standard Time (JST) on February 17, 2020.

- The Form of EOI should be downloaded from JICS's website. The EOI should be in PDF format and attached to an e-mail message. The subject line of e-mail should be clearly marked as in the sample below:
  DRENPNG14-004/EOI/（Name of firm or company）
- It is the firms or companies' responsibilities to contact JICS by telephone or e-mail to confirm

that JICS is in receipt of EOI.

- By sending one e-mail of EOI, firms or companies can receive one set of Tender Documents. If firms or companies are interested in multiple tenders, they should send respective e-mails of EOI according to their interest.
- JICS will send the Tender Documents including "Form of Tender" and "Technical Specifications" to only one e-mail address which the firm or company states in the EOI.
- JICS will send the Tender Documents only one time and will not resend them once JICS has confirmed a firm/company's receipt of the Tender Documents.
- JICS will send the Tender Documents after the deadline of EOI submission to firms or companies whose EOI is received on or before 17:00 (JST) of the deadline.
- The EOI received after 17:00 (JST) of the deadline will be declined and shall not be considered. Time of receipt of EOI is recorded by receiving mail server. JICS will send the Tender Documents after 17:00 (JST) on the day of the deadline or the following working day at the latest.
- A file of EOI should be password-protected. Firms or companies should send a separate e-mail message to inform JICS of the password simultaneously when they send e-mail messages of EOI.
- Firms or companies should screen out viruses from a file of EOI and confirm that it is uninfected before sending it to JICS. JICS shall not be held responsible for any failure of receipt of e-mail message(s) of EOI resulting from such message(s) being virus infected regardless of whether it is by accident or intent.
- The purpose of use of personal information received by JICS through EOI is to send the Tender Documents and proceed with the following procedures related to the tender.
- JICS will not be responsible for any contamination caused by computer virus.

6. Tender opening

Tender opening will be held on April 8, 2020 (JST) at the headquarters of JICS.
