1. Background

In line with ongoing Sexual and Reproductive Health (SRH) and Gender-Based Violence (GBV) interventions funded by UNFPA and implemented across BAY States and other priority locations, there is an urgent need to strengthen service delivery through targeted procurements and vendor engagements. The proposed activities align with the establishment and operationalization of One Stop Centres (OSCs), Integrated Health Facilities (IHFs), Sexual Assault Referral Centres (SARCs), and Women and Girls Safe Spaces (WGSS) in BAY States and Kwara States.
To ensure effective implementation, commodities will be procured for the local assembly of dignity kits, alongside visibility and IEC materials to support awareness and outreach. Vendors will also be engaged for the supply of food to survivors at the various centres and facilities, event management services covering hall rental, catering, and projector provision during trainings and meetings, as well as toll-free line subscriptions to enhance survivor reporting and referrals. Additional procurements will cover drugs and medical consumables for OSCs, raw materials for vocational and livelihood training of survivors and vulnerable women and girls across YFSs, IHFs, OSCs, and WGSS, and refreshments during community and facility-based activities.
Furthermore, the project includes rehabilitation and equipping of an existing structure into a community safe space in Ilorin, Kwara State, procurement of skill acquisition materials for the centre, and renovation of existing structures in Kwara and Adamawa States into fully functional SARCs equipped with medical, forensic, laboratory, and administrative equipment, furniture, and fittings. Collectively, these interventions aim to strengthen survivor-centred response systems, promote women's empowerment, and advance integrated SRH and GBV service delivery in line with national standards and donor priorities.
In view of the above justification, RHHF is to engage a vendor(s) who will facilitate thesupply of drugs and medical equipment
